AMEND Senate Bill No. 961

House Bill No. 775*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 54-17-114(a)(2)(R), is amended by inserting the language "including that portion of the Natchez Trace within any county having a metropolitan form of government and a population in excess of five hundred thousand (500,000), according to the 1990 federal census or any subsequent federal census," after the language "Natchez Trace Parkway," and before the language "except for those portions".

SECTION 2. Tennessee Code Annotated, Section 54-17-115(a), is amended by deleting subdivision (1) in its entirety and by substituting instead the following:

(1) The exposed portion of buildings constructed or erected on property abutting on and located within one thousand feet (1000') of the nearest travel lane of a scenic highway shall not exceed a height of thirty-five feet (35') above the level of the nearest travel lane when the finished grade of the property is below the level of the nearest travel lane of the highway. The exposed portion of buildings constructed or erected on property abutting on and located within one thousand feet (1000') of the nearest travel lane of a scenic highway shall not exceed a height of thirty-five feet (35'), as measured from the finished ground elevation at any point around the building, when the finished grade of the property is at or above the level of the nearest travel lane of the highway. The height restrictions contained herein shall apply to all designated scenic highways within a county if the county contains a scenic highway designated as a Class II rural road pursuant to § 54-17-114(a)(2).
